I acknowledge that the Department of Education, Training and the Arts does not have Personal Accident Insurance cover for students. Please note the inclusion of the statement re personal accident insurance for students. We have been instructed to include this by the Department on all parental permission forms. Education Queensland has public liability cover for all approved school activities and provides compensation for students injured at school only when the Department is negligent. If this is not the case, then all costs associated with the
Injuries are the responsibility of the parent or caregiver. It is a personal decision for parents as to the type and level of private insurance they arrange to cover students for any accidental injury that may occur.
