Under the agreement for 2015
Everton Park State School will receive $147,580*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Increase the percentage of students above the NMS for reading for Year 3 from 91% in 2014 to 95% in 2015
- Increase the percentage of students achieving an equivalent of C or higher for English across all year levels in the semester two reporting period form 86.2% (2014) to 95% (2015)

Our strategy will be to

- Conduct desktop audits to lead and upskill teachers in the analysis and application of learning data to improve differentiation practices. Embed process of developing individual learning targets and aligned explicit learning interventions
- Provide professional development and coaching to ensure whole school, highly effective, pedagogical practices
- Embed the culture, climate, processes and protocols of classroom observation and feedback to support professional development and encourage reflective practice/action

References

Our school will improve student outcomes by

- Increasing the Master Teacher position to a full time position to provide extensive professional development and coaching for teachers to build capacity ($38,500)
- Providing an additional teacher and support staff to implement early literacy intervention for students at risk of not meeting year level standards ($81,970)
- Providing resources and training to support teachers and leaders in collaborative data inquiry and professional reflection and conversations ($27,110)
